

Aberdeen Angus premium stock for sale

Weydale Evian H043 **SOLD**

- 12th January 2008
- Sire : The Moss Florian B284
- Dam : Netherton Evita C205

This classy bull is one of the last sons of the impressive Moss Florian to be bred at Weydale and his dam is one of the original Scottish foundation cows. He has an exemplary temperament, and is correct and exceptionally long. He has impressive Breedplan EBV's, which include ease of calving, birth weights and 600 day weights. His Terminal Index is 11 points above the breed average. He has been used within the Weydale herd and is guaranteed in every way. **SOLD**

Weydale Captain H049

- 3rd February 2008
- Sire : The Moss Florian B284
- Dam : Netherton Cathie Y323

Stable mate to the bull above, this bull has also been used as a stock bull at Weydale. His previous full brothers have all gone to pedigree homes. Captain has great conformation and temperament and we are looking forward to his first crop of calves next spring. He is a high index bull with an Index value 9 points higher than the breed average. POA

Weydale Emyr J094

**AWAITING
PICTURE**

- 9th October 2009
- Sire : Netherton Kiwi Sam A141
- Dam : Weydale Evette F013

This young bull is rapidly shaping up to become a very smart prospect with EBV's well above the breed average and a temperament to match.

POA

As well as breeding bulls, we often have a selection of breeding females for sale. These include heifers and cows of all ages and cross bred females for ET recipient work. Please contact the farm direct for further details.
